**EPublishing with InDesign CS6**

Pariah S. Burke, 2012-12-03 Here's the designer's guide to creating excellent e-books with InDesign. Creative professionals are designing more and more e-books and e-zines as digital publishing increasingly gains market share. This book pulls together a wide range of essential information to help them maximize the versatility of InDesign for e-publishing. If you need to know how to build, deploy and manage digital publications using InDesign, here's your guide to the process from understanding the platforms and devices and how best to design for them to creating media-rich content for multiple formats using a variety of technologies. Designers are seeking to sharpen their skills to compete in today's e-publishing market and this book is packed with necessary information about creating and adapting content for e-publication. Explains how to plan a new digital publication, convert a print publication to digital, add multimedia and interactivity and publish and distribute the finished product. Covers platforms, devices and formats, creating media-rich content, designing for different devices and managing digital publications. Examines Adobe's Digital Publishing System, CSS, HTML5 and other commercial vehicles available for e-publishing on multiple platforms including iPad, Kindle, NOOK and other tablets and e-readers. ePublishing with InDesign is a valuable tool for designers seeking to boost their skills and create cutting-edge e-publications. *Community*

**The Voyager's Handbook** Beth A. Leonard, 2006-12-07 Belongs in the bookshelf of every cruising vessel. Blue Water Sailing. If you are serious about that extended voyage, read *The Voyager's Handbook*. Sailing. Every now and then a new voice emerges in the world of sailing literature that stands out as a voice that is both clear and of lasting quality. The appearance of such a new voice is something of an event and that's what we'd call the publication of *The Voyager's Handbook*. Blue Water Sailing. This inspirational and comprehensive manual leads you step by step through every aspect of choosing, planning and following the voyager's life. Using three example boats representing three cruising lifestyles: Simplicity, Moderation and Highlife. Beth Leonard helps make your bluewater dreams come true whether you're sailing on a shoestring or a CEO's pension. Starting with the things you can't do without: an enthusiastic crew, a seaworthy boat and of course money. Leonard offers sage advice on how to select crewmembers who are truly committed to the voyage, how to choose the right boat for you and how to find just the right approach to financing your voyage and making the most of every dollar spent. Managing life from a floating home and keeping that home livable, seaworthy and safe requires you to become, among other things, the ship's purser, engineer, doctor, cook and cruise director. You'll discover how to prepare for these new roles and put necessary equipment and arrangements in place before you untie your docklines. This exquisitely detailed guide also helps you master the skills you'll need to handle a boat at sea with a small crew, including weather forecasting, passage planning, watchkeeping, heavy weather sailing, emergency management, mid-ocean repairs. Complete with dozens of easy-to-use graphs and tables for quick reference along with the hard-won wisdom of experienced cruisers. *The Voyager's Handbook*.

is the ultimate resource for anyone who is planning preparing for or just dreaming about a great adventure on the high seas
