**Seasons: Broadway Musicals of the 21st Century** Amy S. Osatinski, 2023-08-03 20 Seasons Broadway Musicals of the 21st Century catalogues categorizes and analyzes the 269 musicals that opened on Broadway from the 2000 2001 season through the 2019 2020 season This book is the first to comprehensively examine the musicals that premiered on Broadway during this important historical period which was bookended by the 9 11 terrorist attacks on one end and the Coronavirus pandemic on the other It begins by exploring the historical context for the first 20 years of the 21st century and how this

impacted American culture and theatre Rather than chronologically the musicals are then organized into categories based on their source material and whether they were original musicals or revivals painting a detailed picture of the Broadway musical in first 20 years of the 21st century Jukebox musicals screen to stage musicals revivals and other original musicals are all covered and each chapter ends with reading guides and discussion prompts The book not only discusses what was produced but by whom uncovering the stark lack of representation for women and artists of color on Broadway musical creative and design teams Additionally the last chapter discusses the COVID 19 pandemic the Broadway shutdown and what happened to the Broadway musical during the shutdown including the response to the Black Lives Matter movement in the summer of 2020 20 Seasons Broadway Musicals of the 21st Century will appeal to fans and scholars of musical theatre as well as students of Musical Theatre Musical Theatre History American Studies and Pop Culture Studies *It Starts with One* Jason Lipshutz, 2024-10-01 From the executive director of music at Billboard an extensive look inside the 20 year career of mega selling rock band Linkin Park featuring new interviews exclusive quotes and insights from the band s associates and collaborators Linkin Park is one of the 21st Century s biggest and most important rock bands All it takes is one quick glance at the numbers 11 Top 40 hits on the Hot 100 and six No 1 albums on the Billboard 200 over a dozen massive tours 27 major award wins 100 million records sold worldwide over 30 million monthly Spotify listeners to realize that when it comes to the metrics of music consumption and fandom there s no bigger group in recent memory And yet despite their enduring legacy within rock there s never been a full comprehensive biography of Linkin Park until now In *IT STARTS WITH ONE* The Legend and Legacy of Linkin Park Billboard s executive director of music Jason Lipshutz chronicles the innovation and influence of this legendary band from their early childhoods to the moment their paths crossed to the genesis of their iconic first album Hybrid Theory and all that followed Not only were they able to synthesize trends in pop and hip hop amidst the post grunge era and nu metal boom then constantly reinvent their sound over multiple albums Linkin Park s radically vulnerable lyrics also helped usher in a new era of artists and fans more open to discussing mental health and prioritizing inclusivity Led by their front men Chester Bennington and Mike Shinoda who balanced each other out artistically Linkin Park never shied away from songs that put their issues front and center for the world to see and feel Tragically Chester succumbed to his demons and passed away in 2017 but the music endures and in order to truly appreciate the band s singular power to bring people together we need to take a closer look at how exactly Linkin Park changed popular music Through in depth reporting and interviews as well as new reflections from their collaborators and contemporaries *IT STARTS WITH ONE* explores how one band made such a big impact on modern music effectively cementing Linkin Park s long overdue place in music history
