First flirtation then danger then rescue. Check. But then his armlet doesn't force him into action and Maura keeps defying his expectations. As kind and sensible as she is pretty, she might see through his mask to the tired passionate man underneath. When Rian's boss, legendary Fionn McCool, drags Maura off on a dangerous cross-country trek, Rian has to decide if he's going to stick with Maura even though the armlet doesn't force him and even though this might be his last chance to see his son.
