He runs into his college sweetheart Anita on the night of her engagement to find her crying in the cups alone with her girlfriends. Her newly minted fiancé has no time for her and she's in need of a body double for her bridegroom. Dillon embraces the role of Anita's prospective bridegroom while Anita believes her viral wedding planning vlog will bring her career success as an influencer and jealous attention from her absentee fiancé. But as Anita and Dillon navigate a maze of over-the-top wedding plans trailed by a snarky videographer and an overzealous wedding planner, their make-believe romance starts sparking something that feels unexpectedly real. Can Anita pull off a dream wedding with the right bridegroom and will she stop pretending and discover that the best love story was standing beside her all along.
