**Dirty Tricks** Martyn Gregory, 2010-07-28 Richard Branson's Virgin Atlantic was valued at over 12 billion when he sold a 49% stake to Singapore Airlines in 1999. This was an extraordinary achievement for an airline that began life in 1984 with one plane. Virgin Atlantic became one of the world's top airlines only after surviving an incredible dirty tricks campaign by British Airways. Award-winning investigative journalist Martyn Gregory exposed BA's secret war and he reveals the full story in *Dirty Tricks*.

*The Collective Edge* Colin M. Fisher, 2025-09-02 An eye-opening guide to making teams more than the sum of their individual parts. Essential reading for creators, builders and leaders. Daniel H. Pink, 1 New York Times bestselling author of *Drive* and *The Power of Regret*. The definitive guide to the surprising science of group dynamics and the ultimate resource for building high-performing teams, communities and organizations. Why are groups so hard? From boring work meetings to dysfunctional families to warring nations, group dynamics shape every aspect of our lives. How can we avoid the common pitfalls of living and working together and get the most from our groups? The solution isn't to change individuals; it's to understand the world from a collective perspective. In *The Collective Edge*, Colin Fisher, one of the world's foremost experts on group dynamics, distills decades of research into practical strategies to help groups function at their highest levels. Through case studies from billion-dollar companies, boutique design firms, great basketball teams and Star Trek villains, Fisher reveals how to compete without dysfunctional conflict within groups, why conformity pressure can sometimes be positive and why effective group leadership often comes down to structure and organization instead of motivational speeches. The secret to getting the most from your groups is knowing how to work with the invisible forces of group dynamics instead of being mindlessly pushed around by them. Whether you're a leader, team member or simply interested in better understanding how groups work, *The Collective Edge* provides essential wisdom that will help your groups unlock their true potential.
