Disability Rights And The American Social Safety Net

Tobias Bleicker

Disability Rights And The American Social Safety Net:

Disability Rights and the American Social Safety Net Jennifer L. Erkulwater, 2018-07-05 The recent history of the American welfare state has been viewed with dismay by those on the left because of the steady contraction of benefits under both Republican and Democratic administrations In contrast Jennifer L Erkulwater describes the remarkable success of advocacy for the disabled at a time when the federal government was seemingly impervious to liberal policy innovations Since the War on Poverty the American public s support for social welfare policies has gradually eroded as conservative politicians have gained power and demographic changes and uncertain economic growth have enhanced pressures for fiscal retrenchment Yet the past thirty years have also seen a dramatic expansion of disability benefits This book is the first to examine how entitlements for the disabled have fared in the wake of the disability rights movement This movement initially fought to end the institutionalization of the severely disabled and moved on to claim that antidiscrimination laws would allow the disabled to work and become less dependent on welfare It also had a profound impact on entitlements Erkulwater demonstrates that the Disability Insurance and Supplemental Security Income programs enacted between 1972 and 2000 succeeded because policy elites switched from welfare based approaches to the civil rights rhetoric used by the disability rights movement The work of liberal advocates who sought to end the segregation of the disabled in custodial institutions and integrate them into their home communities contributed to the growth of programs providing financial assistance to disabled citizens and to the recent controversies surrounding the future direction of disability policy

Disability Rights and the American Social Safety Net Jennifer L. Erkulwater, 2006 The recent history of the American welfare state has been viewed with dismay by those on the left because of the steady contraction of benefits under both Republican and Democratic administrations In contrast Jennifer L Erkulwater describes the remarkable success of advocacy for the disabled at a time when the federal government was seemingly impervious to liberal policy innovations Since the War on Poverty the American public s support for social welfare policies has gradually eroded as conservative politicians have gained power and demographic changes and uncertain economic growth have enhanced pressures for fiscal retrenchment Yet the past thirty years have also seen a dramatic expansion of disability benefits This book is the first to examine how entitlements for the disabled have fared in the wake of the disability rights movement This movement initially fought to end the institutionalization of the severely disabled and moved on to claim that antidiscrimination laws would allow the disabled to work and become less dependent on welfare It also had a profound impact on entitlements Erkulwater demonstrates that the Disability Insurance and Supplemental Security Income programs enacted between 1972 and 2000 succeeded because policy elites switched from welfare based approaches to the civil rights rhetoric used by the disability rights movement The work of liberal advocates who sought to end the segregation of the disabled in custodial institutions and integrate them into their home communities contributed to the growth of programs providing financial assistance to disabled citizens and to the recent
