Discovering Cottage Architecture Shire Discovering:

Discovering Cottage Architecture Christopher G. Powell, 1984 This book will aid the recognition understanding and historical interpretation of the surviving cottages in England and Wales Architectural aspects are examined through the social economic standing of the people who provided occupied the cottages **Old House Care and Repair** Janet Collings, 2016-01-20 Owners of old houses are often baffled by the confusing advice they receive from their builders architects or surveyors who may be more familiar with repairing modern buildings than dealing with the issues associated with traditional houses Old houses generally require a different approach one for instance which takes account of their need to breathe Modern solutions do not always recognise that need This book will help owners builders and all construction professionals make the decisions that are right for old buildings It illustrates the long term benefits of using more traditional solutions on older houses rather than modern materials like cement based mortars sealants or impervious paints It offers practical guidance on How to get the right professional advice Legal requirements for listed buildings Problems with damp and rot Use of lime mortars plasters and renders Why old buildings need to breathe Planning applications and Trees outbuildings and gardens *Discovering Cottage Architecture* Christopher Powell, 2008-03-04 This book will aid the recognition understanding and historical interpretation of the surviving cottages in England and Wales Architectural aspects are examined through the social economic standing of the people who provided occupied the cottages *Derelict Stone Buildings of the Black Mountains Massif* Christopher George Leslie Hodges, 2015-07-31 This study provides evidence of a widespread settlement pattern that existed in an upland area of the Eastern Massif of the Black Mountains in South East Wales now sparsely populated and that they can be dated from the late medieval and early post medieval periods respectively English Village Architecture R. J. Brown, 2004 Acclaimed architectural writer R J Brown has produced the definitive study of the huge variety of buildings and edifices to be found in the villages of England Splendidly illustrated throughout with nearly 200 pen and ink drawings by the author English Village Architecture looks at the social geological and architectural history behind the structure of English villages and examines how industries urbanization transport and changing traditions have influenced how we have been using and designing our buildings over the centuries England is famous across the world for the beauty and variety of its village architecture and R J Brown s commentary covers all manner of buildings from churches inns and shops to maltings watermills and lock ups The author also considers lesser structures such as wells pumps and stocks all of which added to the appeal of traditional English villages and provide valuable information on what life was like in centuries gone by Village Architecture presents a fascinating insight into these charming and much loved structures which are still standing and possible to enjoy to this day Through his magnificent artwork and his lively and knowledgeable text R J Brown will instil in his readers an appreciation of all that English village architecture has to offer **California Cottage Style** Ann Zimmerman, Scot Zimmerman, 2005 The Zimmermans whose work has appeared in a number of

architecture and design books and periodicals show the array of styles that make up California cottages Each home is depicted in numerous photographs Library Journal California cottages are famed for their openness and creatively designed interiors and this magnificent tribute brilliantly showcases the variety of styles that belong to the tradition Splendid photographs taken by a prominent architectural photographer present Pioneer Queen Anne Spanish Colonial Revival Craftsman and Tudor revival homes some designed by major figures such as Frank Lloyd Wright Take a look at the examples and see exactly what makes cottages different from other houses and how to make the most of their beauty Each one will inspire fresh ideas for decorating in small spaces and gracing every square foot with lovely details

British Sources of Information P. Jackson, 2003-09-02 This comprehensive and versatile reference source will be a most important tool for anyone wishing to seek out information on virtually any aspect of British affairs life and culture The resources of a detailed bibliography directory and journals listing are combined in this single volume forming a unique guide to a multitude of diverse topics British politics government society literature thought arts economics history and geography Academic subjects as taught in British colleges and universities are covered with extensive reading lists of books and journals and sources of information for each discipline making this an invaluable manual
