**Greek Rhetoric of the 4th Century BC** Evangelos Alexiou,2020-06-08 The interaction between orator and audience the passions and distrust held by many concerning the predominance of one individual but also the individual s struggle as an advisor and political leader these are the quintessential elements of 4th century rhetoric As an individual personality the orator draws strength from his audience while the rhetorical texts mirror his own thoughts and those of his audience as part of a two way relationship in which individuality meets opposes and identifies with the masses For the first time this volume systematically compares minor orators with the major figures of rhetoric Demosthenes and Isocrates taking into account other findings as well such as extracts of Hyperides from the Archimedes Palimpsest Moreover this book provides insight into the controversy surrounding the art of discourse in the rhetorical texts of Anaximenes Aristotle and especially of Isocrates who took up a clear stance against the philosophy of the 4th century

**Dinarchus, Hyperides, and Lycurgus** Craig Richard Cooper,2001-09-15 This is the fifth volume in the Oratory of Classical Greece This series presents all of the surviving speeches from the late fifth and fourth centuries B C in new translations prepared by classical scholars who are at the forefront of the discipline These translations are especially designed for the needs and interests of today s undergraduates Greekless scholars in other disciplines and the general public Classical oratory is an invaluable resource for the study of ancient Greek life and culture The speeches offer evidence on Greek moral views social and economic conditions political and social ideology law and legal procedure and other aspects of Athenian culture that have been largely ignored women and

family life slavery and religion to name just a few This volume combines the surviving speeches of three orators who stand at the end of the classical period Dinarchus was not an Athenian but he was called on to write speeches in connection with a corruption scandal the Harpalus affair that put an end to the career of Demosthenes His speeches thus raise many of the vital issues surrounding the Macedonian conquest of Athens and the final years of Athenian democracy Hyperides was an important public figure who was involved in many of the events described by Dinarchus and Lysurgus His speeches open a window into many interesting facets of Athenian life Lysurgus was one of the leading politicians in Athens during the reign of Alexander the Great and put Athenian public finances on a more secure footing He was also a deeply religious man who tried to revive Athenian patriotism after the crushing defeat at Chaeronea The Orators and Their Treatment of the Recent Past Aggelos Kapellos,2022-12-05 This volume focuses on the representation of the recent past in classical Athenian oratory and investigates the ability of the orators to interpret it according to their interests the inability of the Athenians to make an objective assessment of it and the unwillingness of the citizens to hear the truth make self criticism and take responsibility for bad results Twenty eight scholars have written chapters to this end dealing with a wide range of themes in terms both of contents and of chronology from the fifth to the fourth century B C Each contributor has written a chapter that analyzes one or more historical events mentioned or alluded in the corpus of the Attic orators and covers the three species of Attic oratory Chapters that treat other issues collectively are also included The common feature of each contribution is an outline of the recent events that took place and influenced the citizens and or the city of Athens and its juxtaposition with their rhetorical treatment by the orators either by comparing the rhetorical texts with the historical sources and or by examining the rhetorical means through which the speakers model the recent past This book aims at advanced students and professional scholars This volume focuses on the representation of the recent past in classical Athenian oratory and investigates the ability of the orators to interpret it according to their interests the inability of the Athenians to make an objective assessment of persons and events of the recent past and their unwillingness to hear the truth make self criticism and take responsibility for bad results *Demosthenes of Athens and the Fall of Classical Greece* Ian Worthington,2015 The first ever biography of Demosthenes written in English for a popular audience set against the rich backdrop of late classical Greece and Macedonia **Syllecta Classica** ,2002 **Aeschines** Aeschines,2000 This is the third volume in the Oratory of Classical Greece series Planned for publication over several years the series will present all of the surviving speeches from the late fifth and fourth centuries B C in new translations prepared by classical scholars who are at the forefront of the discipline These translations are especially designed for the needs and interests of today s undergraduates Greekless scholars in other disciplines and the general public Classical oratory is an invaluable resource for the study of ancient Greek life and culture The speeches offer evidence on Greek moral views social and economic conditions political and social ideology and other aspects of Athenian culture that have been largely ignored women and family life slavery and religion to name just a few This volume contains the

three surviving speeches of Aeschines 390 B C His speeches all revolve around political developments in Athens during the second half of the fourth century B C and reflect the internal political rivalries in an Athens overshadowed by the growing power of Macedonia in the north The first speech was delivered when Aeschines successfully prosecuted Timarchus a political opponent for having allegedly prostituted himself as a young man The other two speeches were delivered in the context of Aeschines long running political feud with Demosthenes As a group the speeches provide important information on Athenian law and politics the political careers of Aeschines and Demosthenes sexuality and social history and the historical rivalry between Athens and Macedonia
