Poltergeists - Demons in the Home Frank Hammond,2015-03-11 Cleansing your Home from Demonic Intruders Do you or someone you know have demonic spirits in the home Are you thrust out of sleep by banging doors the sound of footsteps lights going on and off Do you see mysterious shadows on the wall or creatures at the foot of your bed If so there is good news for you Your house can be cleansed Just as the inside man can be swept clean of demonic spirits so too can a house or a dwelling be swept clean from the evil presence and harassment of demonic spirits Through decades of travel as deliverance ministers Frank Ida Mae Hammond were invited into many homes and asked to rid premises of harassing demonic spirits They saw many houses properties buildings and even churches cleansed from the enemy s harassment The key they share is to recognize our spiritual authority in Christ If something like this happens in your house don t let it persist remove any legal right it has to stay command it to go and pray blessing and peace over the inhabitants The process to rid one s house of demonic spirits or poltergeists begins with a careful assessment of what objects and literature we have allowed into our homes It also encompasses who the previous tenants were and what kind of spiritual activity they were up to It requires a consideration of generational curses or demons who have been passed down through bloodlines Finally it requires closing those spiritual doors through the powerful name of Jesus

Holy Spirit, the Deliverer Loreatha Gunnels-Mayberry,2014 When someone becomes a Christian they belong to God but the devil doesn t always let go easily Sometimes he tries to hold on to what who used to be his That s why deliverance ministry is so important freeing God s people from the ties that can bind and keep them from knowing the fullness of their new life in Him
