## **Evil And Christian Ethics New Studies In Christian Ethics:**

**Evil and Christian Ethics** Gordon Graham, 2001 STUDY OF MORAL PHILOSOPHY WITH REFERENCE TO NEW TESTAMENT SCHOLARSHIP      **Evil and Christian Ethics** Gordon Graham, 2000-11-16 Genocide in Rwanda multiple murder in Denver or Dunblane the gruesome activities of serial killers what makes these great evils and why do they occur In addressing such questions this book interconnects contemporary moral philosophy with recent work in New Testament scholarship The conclusions to emerge are surprising Gordon Graham argues that the inability of modernist thought to account satisfactorily for evil and its occurrence should not lead us to embrace an eclectic postmodernism but to take seriously some unfashionable premodern conceptions Satan demonic possession spiritual powers cosmic battles The book makes a powerful case for the rejection of humanism and naturalism and for explaining the moral obligation to struggle against evil by reference to the New Testament's cosmic narrative      Moral Passion and Christian Ethics Robin Gill, 2017-03-06 Using a range of disciplines this book explores the relationship between moral passion and rational ethical deliberation      **Global Justice, Christology and Christian Ethics** Lisa Sowle Cahill, 2013-01-17 A Christian response to global realities of human inequality poverty violence and ecological destruction in the twenty first century      An Introduction to Christian Ethics Robin W. Lovin, 2011-11-01 A few years ago the first distinction that ethicists drew was the line between Christian ethics and philosophical ethics However in our global context Christian ethicists must now in addition compare and contrast various ethics Christian ethics has become increasingly multivocal not only because of a plurality of faiths but also because of a plurality of Christianities In light of these new realities this book will introduce Christian ethics It will lay out history methods and basic principles every student must know The author also will include case studies for further explanation and application      **Lying and Christian Ethics** Christopher O. Tollefsen, 2014-04-28 This book defends the controversial absolute view of lying which maintains that an assertion contrary to the speaker's mind is always wrong regardless of the speaker's intentions Whereas most people believe that a lie told for a good cause such as protecting Jews from discovery by Nazis is morally acceptable Christopher Tollefsen argues that Christians should support the absolute view He looks back to the writings of Augustine and Aquinas to illustrate that lying violates the basic human goods of integrity and sociality and severely compromises the values of religion and truth He critiques the comparatively permissive views espoused by Cassian Bonhoeffer and Niebuhr and argues that lies often jeopardize the good causes for which they are told Beyond framing a moral absolute against lying this book explores the questions of to whom we owe the truth and when and what steps we may take when we should not give it      **Journal of Moral Theology, Volume 11, Issue 1** Jason King, M. *Reforming a Theology of Gender* Daniel R. Patterson,2022-08-11 Judith Butler and conservative Christian theology are often perceived to be antithetical on questions of gender In *Reforming a Theology of Gender* they are shown to be strange bedfellows By engaging in dialogue with Butler on her terms desire violence and life this book absorbs the heart of Butler s critique revealing a righteous law and a seductive image in conservative theologies of gender The law of Adam and Eve manifests in the unjust administration of guilt grief and death By confronting this law which in fact condemns all in their bodies further reflection on Butler s thought leads to thinking about where one finds life in one s body of death The seductive image of Adam and Eve is revealed to be a false hope and a site that induces slave morality or body works based righteousness Butler s voice is strangely prophetic because it calls the church to offer hope and life by reorienting its gaze from the beautiful yet lifeless bodies of Adam and Eve to the bloodied and scarred risen body of Jesus Christ Gender in the end is shown to be a vocation of becoming what one is not      Market Complicity and Christian Ethics Albino

Barrera,2011-01-06 The marketplace is a remarkable social institution that has greatly extended our reach so shoppers in the West can now buy fresh cut flowers vegetables and tropical fruits grown halfway across the globe even in the depths of winter However these expanded choices have also come with considerable moral responsibilities as our economic decisions can have far reaching effects by either ennobling or debasing human lives In this book Albino Barrera examines our own moral responsibilities for the distant harms of our market transactions from a Christian viewpoint identifying how the market s division of labour makes us unwitting collaborators in others wrongdoing and in collective ills His important account covers a range of different subjects including law economics philosophy and theology in order to identify the injurious ripple effects of our market activities      *Christian Ethics* Norman L. Geisler,2010 This update of a classic text evaluates contemporary ethical options and pressing issues of the day from a biblical perspective      **Jesus and Virtue Ethics** Daniel J.

Harrington,James F. Keenan,2002-10-16 Jesuits Daniel Harrington and James Keenan have successfully team taught the content of this landmark study to the delight of students for years In this book they take the fruits of their own experiences as

theologians writers teachers mentors and friends to propose virtue ethics as a bridge between the fields of New Testament Studies and Moral Theology Answering the call of the Second Vatican Council for moral theology to draw more fully on the teaching of Holy Scripture the authors examine the virtues that both flow from Scripture and provide a lens by which to interpret Scripture By remaining true to both the New Testament's emphasis on the human response to God's gracious activity in Jesus Christ and to the ethical needs and desires of Christians in the twenty first century the authors address key topics such as discipleship the Sermon on the Mount love sin politics justice sexuality marriage divorce bioethics and ecology Covering the entire sweep of ethical teaching from its foundations in Scripture and especially in Jesus life death and resurrection to its goal or end with the full coming of God's kingdom the authors invite readers more deeply into an appreciation of the central biblical themes and how based on the themes Catholic Christian moral theology bears on general ethical issues in culture Complete with reflection questions and suggestions for further reading this book is essential reading for professors students pastors preachers and interested Catholics

**Life, Love, and Hope** Jan-Olav Henriksen, 2014-11-10 Taking both knowledge of evolution and belief in God as Creator into account Henriksen's *Life Love and Hope* articulates a vision for understanding the relationship between God and human experience in contemporary terms Henriksen maintains that evolutionary theory does not account for all that can and must be said about human life and experience Conversely he also argues that any belief in God as Creator can be informed and deepened by knowledge of evolution Publisher's website

**The Poetics of Grace: Christian Ethics as Theodicy** Jeph Holloway, 2013-04-09 What is God doing about a world marked by conflict and division What about a world in which our technologies promise great good but also threaten our existence What is God doing in a world where the demands for accumulation and acquisition create division and despair Can Christians hope to be of positive influence in a world that does not always support reflect or even understand Christian commitments Christian ethics often raises such questions as these and the possible answers vary widely Paul's Letter to the Ephesians is a tremendous resource for exploring a faithful response to perhaps the toughest question of all what is God doing about evil The role of Christian ethics is to take seriously the challenge that whatever God is doing God calls us to participate in a distinctive task that embraces our own commitments and labors within the divine purpose Ephesians says that God has taken the initiative to pursue that purpose and remarkably offers that we ourselves are part of the answer to the question what is God doing about evil
