

## TABLE 1-3 Examples of Provisions of the ANA Code of Ethics

- The nurse practices with compassion and respect for the inherent dignity, worth, and unique attributes of every person.
- The nurse promotes, advocates for, and protects the rights, health, and safety of the patient.
- The nurse has authority, accountability, and responsibility for nursing practice; makes decisions; and takes action consistent with the obligation to promote health and to provide optimal care.
- The nurse owes the same duties to self as to others, including the responsibility to promote health and safety, preserve wholeness of character and integrity, maintain competence, and continue personal and professional growth.
- The nurse collaborates with other health professionals and the public to protect human rights, promote health diplomacy, and reduce health disparities.
