

**Graduation Speech – Class of 2015**  
**Saint Xavier High School - May 17, 2015**

Graduates:

Welcome to this Day and to the meaning behind the dignity of this ceremony as you join the ranks of Saint Xavier's alumni.

You have been school leaders at an historical time as we concluded the celebration of the school's 150<sup>th</sup> Anniversary. Reflect for a moment on that history, on those who have gone before you, developing the philosophy, programs and facilities and paving the way for the opportunities you have had and the experiences we have shared. Soon it will be your responsibility to ensure a St. X experience for other students and that such opportunities are there and even better for them.

Then reflect one more time on our theme for the year: ***Together, we dream, we believe and we achieve.*** Those who walked the halls, took the classes and were part of the teams and activities before you continued to dream, developing a vision for what St. X has become and achieving in ways that propelled our school forward. And all along the way, they believed faithfully that God would walk with them and provide even more opportunities to learn, know, love and serve.

You have continued the traditions, stretched the vision and walked together in faith in all that we have asked you to do.

**Boy Writers** Ralph Fletcher, 2023-10-10 Writing test scores indicate that boys have fallen far behind girls across the grades In general boys don't enjoy writing as much as girls What's wrong How can we do a better job of creating boy friendly classrooms so their voices can be heard In *Boy Writers Reclaiming Their Voices* Ralph Fletcher draws upon his years of experience as staff developer children's book author and father of four boys He also taps the insights from dozens of writing teachers around the US and abroad *Boy Writers* asks teachers to imagine the writing classroom from a boy's perspective and consider specific steps we might take to create stimulating classrooms for boys Topic choice emerges as a crucial issue The subjects many boys like to write about war weapons outlandish fiction zany or bathroom humor often do not get a warm reception from teachers Fletcher argues that we must widen the circle and give boys more choice if we want to engage them as writers How We must begin by recognizing boys and the world in which they live *Boy Writers* explores important questions such as What subjects are boy writers passionate about and what motivates them as writers Why do boys like to incorporate violence into their stories and how much should be allowed Why do we so often misread and misunderstand the humor boys include in their stories In addition the book looks at how handwriting can hamstring boy writers and how drawing may help welcoming boy friendly writing genres in our classrooms ways to improve our conferring with boys and more Each chapter begins with a thorough discussion of a topic and ends with a highly practical section titled What can I do in my classroom *Boy Writers* does not advocate promoting the interests of boys at the expense of girls Rather it argues that developing sensitivity to the unique facets of boy writers will help teachers better address the needs of all their students
