

BEAT BULLYING

Bullying is never, ever acceptable under any circumstances. It is revolting, nasty and cruel. There are limitless arguments for this including, it terrifies children and makes them fear school, it adds to personal, emotional burdens and bullying damages people both physically and emotionally. Do you want your children so frightened from bullies that they can't even face going to school?

Firstly, in our schools today there are children who are actually so afraid, that they don't want to go to school because of bullying. Allowing this disgusting behaviour to continue could seriously impact the future of our children and prevent them from learning and becoming successful at life. How could anybody stand by and let this atrocity happen?

Secondly, children today are already dealing with so many burdens. School should provide a safe and positive environment for these young people to escape any stress and anxieties that they are facing at home. Many children are already dealing great emotional hardships and we need to look after them. Banning bullying is the first step that we must take as a society to nurture and protect all children, especially those at risk due to their difficult home life.

Thirdly, kids should never, ever be hurt, physically or mentally. Bullying causes long term scarring that can traumatise a child for the rest of their life. Put yourself in the shoes of the victim and imagine the intense pain and trauma that you would be feeling. We are putting the children of our future at risk of developing serious mental illnesses by allowing this bullying to continue.

In conclusion, no one can deny that bullying must be busted. It's appalling that we haven't fixed this problem yet! We are scaring children away from school, adding to their emotional burdens and causing life-long physical and emotional scars. Please come together and take a stance against bullying, it is the right thing to do!
