Biography: Dr. Seuss

On March 2, 1904, Theodor Seuss Geisel was born in Springfield, Massachusetts. When he was in high school, Theodor enrolled in an art class. While attending Dartmouth College, he worked on a humor magazine and even served as the editor-in-chief. At one point, Theodor broke a rule and Dartmouth College refused to let him continue working for the magazine. Theodor began using the pen name, "Seuss," so he could secretly continue writing and creating cartoons for the magazine.

Theodor graduated and considered becoming an English teacher, but his wife Helen encouraged him to pursue drawing. He was published in magazines and even created ads for things like bug spray, oil, the TV network NBC, and the government during World War II. Next, he began publishing children's books as "Dr. Seuss." A publisher challenged Theodor to write an interesting book with 250 words or less- and he used only 236 different words to write The Cat in the Hat. He continued to write silly children's books with rhyme and rhythm. Dr. Seuss' books are so famous today that his birthday is now celebrated as Read Across America Day!
