## **Evidence Cases And Materials University Casebook Series:**

*Evidence* Jack B. Weinstein, 1997 Weinstein Mansfield Abrams and Berger's *Evidence* Ninth Edition provides detailed information on law of evidence The casebook provides the tools for fast easy on point research Part of the University Casebook Series it includes selected cases designed to illustrate the development of a body of law on a particular subject Text and explanatory materials designed for law study accompany the cases

*Evidence* Jack B. Weinstein, Norman Abrams, Scott Brewer, Daniel S. Medwed, 2017 Hardbound New hardbound print book

*Evidence* Roger Park, Richard D. Friedman, 2013 The new 12th edition presents two new and important Supreme Court cases concerning the right to confrontation Incorporating the restyled Federal Rules of Evidence the book introduces a revised organization of the materials on hearsay to reflect recent developments on the confrontation right The chapter on the best evidence rule has been extensively updated and numerous changes bring other chapters up to date Oversized cases have been edited older materials having a tired feel are dropped but teaching favorites that have stood the test of time are retained

*Evidence, Cases and Materials, 13th - CasebookPlus* ROGER C. PARK, Richard D. F. Friedman, 2019-06-03 The 13th edition while retaining materials that have stood the test of time represents a major overhaul of the text with significant changes to every chapter The changes are meant not only to update the text but to give the entire book a fresh new feel It is designed to give students a strong sense both that much of the law of evidence reflects enduring principles and that it continues to respond to contemporary situations and problems This edition retains what has made this book so distinctive for decades classic problems and materials some of them from non legal sources Teachers who have used prior editions will still find here their favorites But this edition replaces many old materials that have a tired feel with new ones from the last few years The new edition adds three important new Supreme Court cases one on the right to confrontation and two on impeachment of jury verdicts and numerous significant and interesting cases from state courts and lower federal courts The authors have continued the practice of choosing cases and other materials on the basis of teachability and the additions promise to be fun to teach At the same time the authors have tightened up on the entire text so that this edition is significantly shorter than the last one
