7 Steps to a 7-Figure Business Eniko Marian,2020-10-21 How do you build the business of your dreams What if the secret to business success was seven simple actions that you could build into your daily routine What if you only needed to repeat those seven simple actions consistently for a period of 90 days And what if those seven simple actions could be taken in those parts of the day when you re unproductive While you wait for the kids while you prepare dinner between meetings or at any of the many moments of downtime we all have In this book Eniko Marian founder of EMRO Quantum shares the habits she learned over the course of twenty years as she went from 70 a month nurse in a former Communist country in Eastern Europe to leader of a multi million dollar global network marketing company So many entrepreneurs struggle for years to build their business then give up just on the threshold of success They give up on their dreams and they give up on themselves Don t allow yourself to become one of them Commit now to spending the next 90 days implementing these Seven Steps and lay the foundations for a lasting profitable and life changing business **Successful Business Development**
