

A top-down view of a gardening workspace. The background is a dark, rich soil. In the upper left, there are several small potted plants with green, needle-like leaves. In the upper right, a larger plant with dense, green, feathery foliage is in a wooden planter. In the lower left, a plant with broad, green, rounded leaves is in a terracotta pot. In the lower right, a plant with similar broad green leaves is in a wooden planter. Two gardening tools with wooden handles and metal heads are lying on the soil: a trowel in the upper center and a fork in the lower center. A small, dark, rectangular object, possibly a seed packet or a small container, is also visible near the bottom center. The overall scene is well-lit, highlighting the textures of the soil, plants, and tools.
