

The background of the cover is a detailed illustration of a fantastical city. In the foreground, a woman in a white dress with a black bodice stands on a balcony, looking up at a massive, dark, cylindrical structure that dominates the right side of the image. The structure has a glowing light source at its base, casting a beam upwards. The city below is filled with intricate architecture, including domes and spires. The sky is dark with several glowing blue spheres. The title 'BRANDON SANDERSON' is at the top in white, and 'ELANTRIS' is in large, stylized orange letters below it.

Legion Brandon Sanderson, 2012-09-10. Now also available in the complete collection *Legion*. The Many Lives of Stephen Leeds. A novella from 1 New York Times bestselling author Brandon Sanderson. *Legion* is a fast-paced, witty, and supremely fun thriller with a psychological bent. Stephen Leeds is perfectly sane. It's his hallucinations who are mad. A genius of unrivaled aptitude, Stephen can learn any new skill, vocation, or art in a matter of hours. However, to contain all of this, his mind creates hallucinatory people. Stephen calls them aspects to hold and manifest the information. Wherever he goes, he is joined by a team of imaginary experts to give advice, interpretation, and explanation. He uses them to solve problems for a price. His brain is getting a little crowded, however, and the aspects have a tendency of taking on lives of their own. When a company hires him to recover stolen property, a camera that can allegedly take pictures of the past, Stephen finds himself in an adventure crossing oceans and fighting terrorists. What he discovers may upend the foundation of three major world religions and perhaps give him a vital clue into the true nature of his aspects. A note from the publisher: Brandon will send a free copy of this ebook to anyone who purchased the Subterranean Press hardcover. See the title page in the ebook preview for details.

Warbreaker Brandon Sanderson, 2009-06-09. From the author of the connected universe of the Cosmere comes the standalone novel from which spring characters who later play roles in the 1 New York Times bestselling *Stormlight Archive*. In the world of *Warbreaker*, each person is born endowed with the power of one Breath, which can be sold and collected by others, then used to awaken objects and even corpses to do their bidding. A few individuals who die in glory return as gods with the power of thousands of Breath, but no memory of their mortal lives, and are enthroned in the Court of Gods in Hallandren's capital, To Vivenna. And Siri, princesses of Idris, the abuse of Breath and the claim of the Returned to be gods are repugnant blasphemy. But with one princess wed to the God King of their nation's enemies in a bid for peace, the other finds she must rely on Breath, using mercenaries to try to rescue her sister from her monstrous husband. Lightsong the Bold, a lesser god who doubts his own religion, starts investigating mysterious murders in the Court of Gods and uncovers haunting clues to his own forgotten past. He is one of four gods who controls the army of Awakened, Lifeless soldiers, and one faction is inciting an invasion of Idris despite the marriage treaty. Vasher, wielder of the sapient sword Nightblood, works behind the scenes against the declaration of war, but Lightsong's visions of bloodshed prophesy its inevitability. Can the new queen, unaware of her sister's imminent rescue attempt, persuade Lightsong and also

somehow get through to the aloof God King who she has been forbidden to speak to or even look in the eyes before her homeland is destroyed

Running

Putting distance between himself and the relentless Night Brigade

has been Nomad's strategy for years

Staying one or two steps ahead of his pursuers by skipping through the Cosmere from one world to the next

But now his powers too depleted to escape

Nomad finds himself trapped on Canticle, a planet that will kill anyone who doesn't keep moving

Fleeing the fires of a sunrise that melts the very stones

he is instantly caught up in the struggle between a heartless tyrant and the brave rebels who defy him

Failure means a quick death

incinerated by the sun or a lifetime as a mindless slave

Tormented by the consequences of his past

Nomad must fight not only for his survival but also for his very soul

Note from Brandon

I sincerely believe that books don't live until they're read

While I would write even if no one were reading it, I thrive because I know the stories are being brought to life by all of you

In this story, there are a special kind of art, particularly when written down

Each of you will imagine this book and its characters a little differently

you will each put your own stamp on it, making it yours

I don't believe a story is quite finished until that has happened

until the dream in my head has become a reality, even if briefly in yours

And so this book is yours as they all are once you read them

Thank you so much for bringing life to my work and to the Cosmere
