Pro Football Schedules Ivan Urena, 2013-12-25 This book explains how the NFL determines each team's opponents and how the league's scheduling format has evolved throughout the years. It includes a history on the evolution of the pro football schedule, explores all of the scheduling formulas used in the National Football League, American Football League, and the All America Football Conference, and presents home and away opponent charts from 1933 through the 2017 season.

Organizational Communication and Sport Jimmy Sanderson, 2025-10-16 This edited volume illustrates the function of communication within sport organizations, offering analyses of multiple facets of the industry. Contributors examine a variety of cases, including whistleblowing, athlete safeguarding, sexual harassment, scandals, leadership, marketing, and social justice advocacy, among others. Throughout this volume, contributors argue that communication plays a significant role in the operation and management of sports organizations, demonstrating the complex and challenging functions it serves in a continually evolving landscape. The book provides a diverse approach to the study of organizational communication in sport contexts, highlighting the unique communicative challenges that leaders in the industry face, given the high visibility of sport and the significant media attention directed toward players, teams, and audiences. An internationally diverse roster of contributors offers nuanced perspectives on how sport organizations manage communication functions through a selection of contemporary case studies that build upon existing research, discussing both practical and theoretical implications and directions for future research on the organizational communication dynamics within the sport industry. **The New York**
