Faith Three Legged Stool Patrick Mcwhorter:

Faith Is a Three-Legged Stool Patrick McWhorter,2011-01-31 *Agape* Patrick McWhorter,2025 The essence of Christ and Christianity is the unique invincible and incomprehensible love of God It is at once the nature of God Himself and the greatest commandments of Christ to men And that despite the fact that this brand of love is unachievable by man on his own Why would God command you and me to exhibit the kind of love that is of His matchless character That is what you must discover if you are to follow Jesus Christ Herein you will learn that agape is indeed the key to life in Christ **At First Sight** Patrick McWhorter,2015-08 All his friends thought a smart young man like Harry Wright should have known that love at first sight was only a chimera And certainly if somehow Harry had known what lay ahead that it would destroy his hopes for a sports future and bring him to the brink of death he might have spared himself much anguish by abandoning such a foolish quest On the other hand when you place your future in the hands of the Almighty as Harry did the only thing you really need to know is that He is directing that future
