Faith Rules An Episcopal Manual:

Faith Rules Samantha R. E. Gottlich, Ian S. Markham, 2016-04-18 Foreword by Presiding Bishop Michael B Curry illustrations by Benjamin Hart **Community Rules** Ian S. Markham, Kathryn Glover, 2019-01-08 A practical guide to church community life Taking the approach of Michael Pollan's Food Rules Community Rules seeks to distill the basics of good church into a set of memorable rules Working with three sections the authors draw on their years of combined experience in academic and church administration to identify the basic Christian principles that underpin Episcopal community and then apply them to actions and relationships The book seeks to explicate the best personnel practices as well as good governance and communal life together alongside a framing within the Christian worldview The goal is to provide a text that can serve as a guide for any and all members of a parish most especially those who serve on vestries or as volunteers **Reasonable Radical?** Ian S. Markham, Joshua Daniel, 2018-01-16 One of the most interesting voices in the Academy and the Church today is Martyn Percy Percy the Dean of Christ Church Oxford and a leading voice in the Anglican Communion is both theologically orthodox yet deeply unconventional While remaining engaged in the scholarly community Percy writes with clarity and passion on topics that range from ecclesiology to music from sexuality to the Trinity from advertising to ministerial training he is a polymath This book is two books in one The first half contains a series of articles written both by church leaders and academics that serve as substantial critical introductions to Percy's thought In the second half the reader gets to hear from Percy himself in a collection of wide ranging material from his corpus While producing a dialectical engagement of some depth as Percy offers written responses to his interlocutors this volume should prove useful for a variety of communities beyond academic circles especially ones engaged with contemporary issues facing ecclesiology churches and the wider Anglican Communion **Why Go to Church?** C.K. Robertson, 2017-08-01 Easy to read short book on a key topic for seekers In an age where people increasingly spend their weekends anywhere but in a place of worship it is important to ask why anyone should go to church In Why Go to Church Robertson addresses the top reasons for not attending and goes further to explore how church participation can enhance one's life on so many levels Essential reading for those who have thought about going to church are thinking about going back to church and even those who go to church regularly but want to attain a deeper worship experience **The Episcopal Handbook** Morehouse Publishing, 2008-09 The Episcopal Handbook provides historical and theological information about the Episcopal Church alongside fun filled facts and practical tips for being a churchgoing follower of Jesus Christ Complete with illustrations the book presents a combination of vast truths complex details and bits of humor about the Episcopal understanding of the Christian life This unique and handy resource is perfect for youth adults students families and all those interested in learning about much of what encompasses life in the church Sections include How to Stay Alert in Church How to be a Greeter or Usher or Acolyte etc How to tell the difference between a Vocation and a Vacation How to Survive a Service in an Un Air Conditioned Church A brief history of the Anglican

Communion How to Interpret Controversial Bible Passages and Remain Episcopalian and dozens more **The Living Church** ,1945 **The China Christian Advocate** ,1914 New York Court of Appeals. Records and Briefs. New York (State).
