Christ-Centered Preaching Bryan Chapell,2018-05-15 In this complete guide to expository preaching Bryan Chapell teaches the basics of preparation organization and delivery the trademarks of great preaching This new edition of a bestselling resource now updated and revised throughout shows how Chapell s case for expository preaching reaches twenty first century readers *A Vision for Preaching* Abraham Kuruvilla,2015-09-15 This book by a well respected teacher of preachers develops an integrated biblical and theological vision for preaching that addresses the essentials of this most important activity in the church Drawing on influential voices from church history Abraham Kuruvilla reclaims what has been lost through the centuries and offers fresh insights showing preachers what they can aim for as an ideal in their preaching He helps preachers have a better conception of what it means to preach a fuller understanding of the divinely granted privilege of preaching and a greater excitement for the preaching ministry Concluding biblical reflections reinforce the teaching of each chapter The Ministry We Need Jeremy A. Rogers,Jordan N. Rogers,Tony A. Rogers,2022-05-26 What would cause the apostle Paul to testify that I am innocent of the blood of all Godly qualities characterized his ministry and outside of Christ s there is no greater ministry example All ministers struggle and we all know those who toil in frustration alongside us in the Lord s field You may be amid deep struggle now worn tattered scarred ready to quit you have lost the focus and the joy of your calling Most of us in ministry have known those who have either left the ministry or shipwrecked their faith Quite possibly this is you What we need to do is put our hands to the plow focus on our calling and the path before us and determine to finish well Drawing on Paul s example from Acts 20 17 38 the authors prescribe ministry principles touching on a wide range of pastoral and preaching insights Some have a ministry they should not want some desire a ministry they think they want but this book seeks to identify the ministry we need Preaching Jason C. Meyer,2013 The sermon is under attack This comprehensive biblical theology of preaching examines what it is how to do it and why it s so important exploring the concept s canonical development and relevance for key doctrines The Art of Faithful Preaching William Perkins,2012-06-17 There are few problems in the contemporary church today that can match terrible preaching and the poor exposition of the word of God Perkins had much the same problem in his own day and in his own city In this volume written specially for ministers he provides a foundation of bible truths to teach the manner in which ministers may preach effectively and faithfully to their congregations as well as showing Christians how they may read their bible with profit and understanding This is a classic work that should be at the side of every preacher and every student of the bible to be read again and again This work is not a scan or facsimile and has been made easy to read with an active table of contents for electronic versions Passion in the Pulpit Jerry Vines,Adam B. Dooley,2018-07-03 Biblical exegesis doesn t stop with the

words alone Faithful preachers exegete the emotion of the text as well It's easy to let our own personalities dictate the emotional dimension of our sermons but the best preachers mirror the Bible's emotive intent in their sermons In *Passion in the Pulpit* Jerry Vines and Adam Dooley will teach you how to exegete not just the verbal content of Scripture but its emotional appeal as well They show you the role the Bible's emotional intent should play in each stage of sermon prep and Offer exegetical steps to discern the biblical pathos Teach you how to avoid manipulation while making your sermons emotional Help you determine the appropriate limitations of emotional appeal Give you verbal vocal and visual techniques to help convey the biblical emotional intent in your sermons When we elevate the Bible's emotional intent above our own we preach truth rather than personality
