Just because you may be unaware of something dangerous, it doesn't mean it cannot affect you. There is an old saying: what you don't know can't hurt you. Although it is true that knowledge can bring with it pain, it is much better to be forewarned about danger than to ignore it. In Keith's latest study, *If God is For Us*, he leads us through the scriptures that help us see that God is for us and what this means as far as our Christian faith and walk. We have no need to fear when we are assured that God always has, is, and always will provide and protect us. Keith's study brings freedom so that Christians can focus on what God has placed them here for, instead of worrying about spiritual attacks. You will understand the enemy's schemes and learn to walk in your victory. **Comparative Religions (Speedy Study Guides)** Speedy Publishing,2015-04-28 Acknowledging the presence of different religions and understanding their differences creates a deep sense of awareness and respect.
