Falling Into Place An Intimate Geography Of Home Catherine Reid:

Falling into Place Catherine Reid, 2015-07-14 Quietly powerful essays weaving keenly observed insights into the mysteries of nature with those of family and community It's not easy Catherine Reid writes to love a person and a place in equal measure Love she does however as described in these intimate lyric essays about the land and people around her With the inside perspective of a native New Englander combined with her outsider status as a lesbian Reid explores such paradoxes as those that arise from harnessing wild rivers or legalizing same sex marriage Her fascination with natural phenomena whether bird hibernation the arrival of fishers in suburbia or the explosion of amphibious life in the wet weeks of spring is captured in writing that pays as much attention to the sounds of a sentence as to the rhythms of the landscapes she wanders Ultimately Reid finds herself having to choose between her farmhouse near the Berkshires and a job in the South between her known role in the land's stories and a new story yet to be written Solace comes from companions as varied as a praying mantis an otter and her hundred year old grandmother while resilience shows up in the stories of streams recovering from toxic spills and in communities weathering floods and town meetings Reid celebrates the joyous engagement that comes with developing a deep connection with the places we call home and the life human animal botanical that surrounds us At the same time she offers keen insights into the way nature ultimately remains mysterious beyond our knowing Sensuous and provocative **Falling into Place** faces the beauty and challenges of our changing world head on **The Changing Blue**

Ridge Mountains Brent Martin, 2019-06-17 Explore this section of the Appalachians in these essays examining its history its wilderness and what change means for its future In the eighteenth century naturalist and artist William Bartram traveled in the Blue Ridge Mountains and spent time documenting both plant life and the customs of the Middle Town Cherokees Since that time men and women like Bartram have journeyed through Western North Carolina's wildest and most remote places and written about their experiences The essays in this volume compare the present day to those historical journeys and explore the idea of wilderness and what change means for the future of the people and the species who live in the mountains Join local writer and guide Brent Martin on a journey through this incredible landscape With unflinching candor Brent Martin celebrates the heartbreaking beauty of Appalachia He wrings out every sensory and emotional detail in these passionate probing essays that explore the wild within These aren't lyrical paeans to nature they are gritty gutsy journeys into the rugged remote landscapes of the human heart Immersed in mountain tradition culture and community he wanders deep and alone into the wild to find what remains Martin's powerful masterful writing shines with real hard earned hope Will Harlan author of the New York Times bestseller *Untamed The Wildest Woman in America* If you love the Southern Appalachians and Wendell Berry and Annie Dillard and Gary Snyder read this beautifully written and deeply thought provoking book Charles Frazier author of the New York Times bestseller *Cold Mountain* A thoughtful and thought provoking collection of essays from one of Appalachia's staunchest proponents of wilderness and one of its most devoted writers Brent Martin is a preeminent
