Falling Palace A Romance Of Naples:

Falling Palace Dan Hofstadter,2010-02-10 A portrait of the sun drenched volcanic city from an American who has lost his heart to the place and to a beguiling Neapolitan woman In *Falling Palace* Dan Hofstadter brilliantly reveals Naples from the dilapidated architectural beauty to the irrepressible theater of everyday life We witness the centuries old festivals that regularly crowd the city's jumbled streets and eavesdrop on conversations that continue deep into the night We browse the countless curio shops where treasures mingle with kitsch and meet the locals he befriends In and out of these encounters slips Benedetta the object of the author's affections at once inviting and unfathomable Weaving the tale of an elusive love together with a vivid portrayal of a legendary metropolis this is a startling evocation of a magical place **In Search of**
