## **Falls Aren't Funny Americas Multi Billion Dollar Slip And Fall Crisis:**

**Falls Aren't Funny** Russell J. Kendzior, 2010-01-16 Slip and fall accidents are a growing problem. The total cost of these accidents now approaches 80 billion dollars each year and that number is expected to double within the next decade. In **Falls Aren't Funny Americas Multi Billion Dollar Slip and Fall Crisis**, author Russell J. Kendzior provides a comprehensive look at one of the most pervasive yet seldom addressed problems facing our world today. The book's three parts explore slips and fall accidents themselves, what causes them, and what can be done to prevent them. Kendzior begins by examining the financial costs, the industries hardest hit by slips and falls, and the heightened risk to the elderly population. He then looks at the causes for the numerous slip and fall accidents and injuries, from inadequate floor care to improper footwear and the contributions of the insurance, legal, and manufacturing industries, and how they worsen the problem. Finally, he outlines what can be done to prevent slip and fall accidents and how everyone, from manufacturers to property owners to the general public, can help to reverse the trend of this increasingly expensive and dangerous problem. The book is replete with stories of real slip and fall accidents and injuries, up-to-date statistics, illustrative charts, and tips for prevention. It is comprehensive, dealing with all aspects of slip and fall accidents, their causes, and methods of prevention, while also being accessible and entertaining. It is an informative and much-needed book for all managers, safety professionals, attorneys, business, and property owners, and anyone else concerned with one of the nation's fastest growing safety crises. **Floored!** Russell J. Kendzior, 2017-09-18

When watching the evening news, you can be led to believe that most slip and fall claims are bogus and nothing more than a scam designed to fleece business owners and the insurance industry for money. But not all plaintiffs are scam artists, and not all victims are seeking to cash in on their injury. Falls can affect each of us. The next victim could be your mother, your brother, your spouse, or child, and oh yes, even you. The truth of the matter is each year millions of personal injury lawsuits are filed by victims of a slip trip and fall accident, most of which are settled out of court. However, over the past decade, there has been a noticeable rise in the average settlement as well as jury verdicts. As an expert witness, Russell J. Kendzior has been retained in more than 700 slip trip and fall lawsuits and has now compiled over 50 of his top cases in **Floored!** Rather than debate the truth behind slip trip and fall litigation, Kendzior sets the record straight and provides the reader with a behind-the-curtain view of the people filing these lawsuits and the companies being sued. This book is a great resource that explains what can be done to prevent the injury and thus the lawsuit through the eyes of a safety expert and stories of real-world victims.
