## **False Covenant A Widdershins Adventure Widdershins Adventures:**

**False Covenant** Ari Marmell, 2012-06-19 It's been over half a year now since the brutal murder of Archbishop William de Laurent during his pilgrimage to the Galicien city of Davillon. During that time the Church of the Hallowed Pact has assigned a new bishop to the city but it has also made its displeasure at the death of its clergyman quite clear. Davillon's economy has suffered beneath the weight of the Church's displeasure. Much of the populace angry at the clergy has turned away from the Church hierarchy choosing private worship or small independent shrines. And the bishop concerned for his new position and angry at the people of Davillon plans to do something about it. But a supernatural threat is stalking the nighttime streets a creature of the other world has come to infiltrate the seedier streets of Davillon to intertwine its tendrils through the lower echelons of society. Faced with both political upheaval and a supernatural threat to its citizenry the local representatives of the Church are paralyzed and the Guardsmen are in over their heads. And then there's Widdershins who's tried and failed to stay out of trouble since taking over Genevieve's tavern who's known to the Church and the Guard both and trusted by neither who may with some of her Thieves Guild contacts have unwittingly played a part in the bishop's plans and who along with her personal god Olgun may be the only real threat to the supernatural evil infesting Davillon. **Thief's Covenant** Ari Marmell, 2012-02-14 Once she was Adrienne Satti. An orphan of Davillon she had somehow escaped destitution and climbed to the ranks of the city's aristocracy in a rags to riches story straight from an ancient fairy tale. Until one horrid night when a conspiracy of forces human and other stole it all away in a flurry of blood and murder. Today she is Widdershins a thief making her way through Davillon's underbelly with a sharp blade a sharper wit and the mystical aid of Olgun a foreign god with no other worshippers but Widdershins herself. It's not a great life certainly nothing compared to the one she once had but it's hers. But now in the midst of Davillon's political turmoil an array of hands are once again rising up against her prepared to tear down all that she's built. The City Guard wants her in prison. Members of her own Guild want her dead. And something horrid something dark something ancient is reaching out for her a past that refuses to let her go. Widdershins and Olgun are going to find answers and justice for what happened to her but only if those who almost destroyed her in those years gone by don't finish the job first. **Lost Covenant** Ari Marmell, 2013-12-03 This third YA novel starring the young thief Widdershins combines the angst and vulnerability of any teenage girl with the high action of the best fantasy adventures. It's been six months since Widdershins and her own personal god Olgun fled the city of Davillon. During their travels Widdershins unwittingly discovers that a noble house is preparing to move against the last surviving bastion of the Delacroix family. Determined to help the distant relatives of her deceased adopted father Alexandre Delacroix she travels to a small town at the edge of the nation. There she works at unraveling a plot involving this rival house and a local criminal organization all while under intense suspicion from the very people she's trying to rescue. Along the way she'll have to deal with a traitor inside the Delacroix family a mad alchemist and an infatuated young nobleman who won't take no for an
