Faithful Exit My Journey To The Edge Of Suicide And Back:

Faithful Exit Ron Jacobs, 2014-03-01 Today there is an ever growing demand for control over the time place and means of dying Many governments are passing laws which allow people to choose death once it appears that their life will end soon anyway It is hard to argue with their logic Why shouldn t we have the option of death with dignity rather than the desperate struggle of the suffering in their last days This book is not an attempt to argue the legality or morality of assisted suicide It is birthed from my own encounter with the desire to escape from incredible pain In my struggle I came to the place where I wanted to die I prayed for death I longed for it to come but it remained at a distance I read books on suicide made plans on how I could do it and ensure success and walked right up to the edge of that chasm Few people really understand the kind of pain that can drive a person to that place My encounter with a very rare untreatable and painful disease brought me to that place As a Christian I met God there and he taught me some valuable lessons that I want to share with you Some of you may feel guilty for even having the feeling that you want to end your life Others are even at this moment making a plan to finish it I m not here to condemn you Please just take a moment and listen to my story before you do anything *Halfkinds Volume 1: Contact* Andrew Vu, In the twenty fourth century a scientific experiment gave a few species the gift of intelligence and after much struggle they ve carved out a place in society By the thirtieth century humans find themselves co existing negotiating and residing on Earth with these animals as equals Maya Lawton is a lonely prostitute living in this world She gives birth to the first halfkinds creatures who are half animal kind and half mankind Since interspecies breeding is illegal she is forced into seclusion and raises them alone Then one day without warning she dies and her death leads to their discovery Abandoned and lost this family of halfkinds plan to escape to a terraformed moon But the law is after them The order is to kill sent by the highest authority the United Species Alliance What separates the Halfkinds series from the rest isn t only its unique premise but also its structure Chapters shift between the first person POV s of key characters and are presented in a non linear fashion in order to create a mounting suspense that will keep the reader riveted until the end Various plot twists occur within the story and the different character viewpoints help alter the tone as you go along to give an unbiased presentation of their motives and actions The setting allows a diverse cast of characters some human many not to send a message that intelligence is a power that we take for granted and when given to other species the world becomes a dangerous place The Halfkinds Series Halfkinds Volume 1 Contact Available Now Halfkinds Volume 2 Horus Available Now Halfkinds Volume 3 Alphas Available Now Halfkinds Volume 4 North Coming APRIL 2014 Didn t read the previous volumes or just need to get some info For summaries character descriptions and other fun facts about The Halfkind Series check out halfkinds wikia com **78 Spring Street (Tavasz Utca 78)** Eva Fischer-Dixon, 2016-08-22 The apartment building where I grew up had peeling paint and unkempt trees and bushes Perhaps the twenty families living in nineteen apartments didnt even notice that it was not only the walls of the building that were chipping away little by little simply because they were

glad that they had a roof above their heads As I was growing up each family represented its own soap opera to me As a child I became fascinated and as a teenager was appalled by the people the tenants who lived there and the hypocrisy that surrounded my family and me in our everyday life One could only imagine how deeply they came to be part of my life with good but most of the time bad intentions After all these years those memories are as fresh as a harvested bouquet of flowers that still had the morning dew on its buds I had to write about them I needed to write about them Why Because I owe them a great deal For what you may ask The answer lies in the stories that took place at 78 Spring Street Tavaszi Utca 78 Youth's Companion ,1901 *The New Statesman* ,1928 **Frank Leslie's Pleasant Hours** ,1870 **Belford's Magazine** ,1888 **The Japan Magazine** ,1927 The Humanitarian Review ,1908 **Family Herald** ,1874 The Family Herald ,1874 **The Japan Times** ,1878 **Gospel Herald** ,1910 **Atkinson's Evening Post, and Philadelphia Saturday News** ,1927 SCC Library has 1974 89 plus scattered issues *The Boys' Champion Paper* ,1886 *The Business Educator* ,1914 *Punch* Mark Lemon, Henry Mayhew, Tom Taylor, Shirley Brooks, Francis Cowley Burnand, Owen Seaman, 1921 *End of Life Choices* ,2002 *The Saturday Evening Post* ,1919 **The Cambridge Shakespeare Library: Shakespeare criticism** Catherine M.
