False Start Chapter Braden Lloyd:

False Start Braden Lloyd, 2015-11-25 1996 Phoenix AZ Braden Lloyd did not learn from his mistakes in *The Burning* but he sure knows how to run from them Follow Braden across the west coast as he tries to escape the real damage that he did back in Richmond in 1995 While he is living with his lesbian aunt he meets Johnny Salvay a good looking guy around his age who is also into musicals and looking for something more than a one nighter Braden allows himself to become attached and life just keeps getting better for Braden and Johnny From Phoenix to Tucson AZ and then to Fremont CA insecurity and jealousy still plague Braden and he is reminded of Fagland at every turn When Braden does something selfless and genuinely nice for Johnny's best friend Scott Worth his reward comes with a price The climax of the novel takes place in Olympia WA in 2001 when Braden falls into old habits and faces life changing decisions *False Start* stands on its own but it is complemented by the first volume in the series *The Burning* The books contain realistic depictions of the coming out process first love depression rejection questioning sexual identity infidelity and many other issues facing today's younger LGBT crowd **The Burning** Braden Lloyd, 2000 Do you remember when it was cool to be gay When it was fun to come out Braden Lloyd is your typical 17 year old Fresh out of high school in 1995 he is all ready to go to college and begin his normal life This all changes when he meets Kyle in a chat room then in real life Return to a time where this was the exception As Braden falls in love with Kyle he learns some unpleasant facts about his own personality and what a person can be capable of This is a story which needs to be shared so no one else has to get burned *Jake's Fault* Braden Lloyd, 2016-04-14 Williamsburg VA 2002 Braden Lloyd does not learn from his mistakes Even after he returns home a changed and more bitter young man following the dissolution of his five year relationship with Johnny Salvay Returning to his friends and family who have all moved on since he left in 1996 turns out to be more than he bargained for as past deeds collide with his future Braden meets Jake at what he feels is just the right time and the two begin an intense relationship that has all of the signs of a rebound but turns out to be something more Braden soon discovers that Jake is keeping important parts of his own past from secret and repeated murmurings of a mysterious car accident in 2001 bring together pieces of Braden's past that he thought were long settled culminating in a finale that pushes Braden's will to its limits Can Braden save Jake from making many of the mistakes he himself made What happened on New Year's Eve 2001 in Olympia Where was Braden for those four missing hours in November 1995 And why does he blame all of his problems on Jake Braden Lloyd is good at running from his past but it will catch up with him eventually Enjoy one more ride with him as he is forced to confront every man that he has done wrong since he entered the dating scene Who will be there for him in the end Who are his real friends And is every life worth saving While *Jake's Fault* is far from erotica it is recommended for adult audiences since it contains realistic depictions of sexual relations and drug use Readers who have previously enjoyed *The Burning* and *False Start* will enjoy this novel on a deeper level although it will work as a standalone piece **Paid Up** Braden Lloyd, 2016-10-25 Williamsburg VA 2004 One last

chance for each of them That s what Braden Lloyd feels is fair for Johnny Salvay in Olympia and Jerome Jacoby Jarreau in Newport News alongside either of whom he is willing to wipe the slate clean and move on with his life Which will it be Plan A or Plan B As usual life has other plans in store Reconnect with old friends and places and meet some faces from Braden s past who pop back into his life at the strangest of times Will Braden learn anything valuable when he meets someone who reminds him of a future version of himself Fight along with him as he battles a monstrous new manager at The Bank and an accusation that could cost him everything Come on another ride with Braden for a quick trip back to Olympia as he is forced to confront the reality that no amount of goodwill on his part will ever undo the havoc he has wrought on so many others Does he himself even deserve any second chances Who will be there for him at his weakest moment His loyal friend Jesse new online pal Manny or high school buddy Max who has a secret or two of his own Finally learn what really happened that night in 2003 outside Destiny when Ryan Carroll had his say with Braden once and for all It s all in here While Paid Up is far from erotica it is recommended for adult audiences since it contains realistic depictions of consensual sexual relations and frank language Readers who have previously enjoyed The Burning False Start and Jake s Fault will appreciate this novel on a deeper level although it will work as a standalone piece *St. Andrew's Cross* ,1901 **Forest and Stream** ,1892
