False Truths The Error Of Relying On Authority:

False Truths Edward C. Mendler,2014 In False Truths Edward C Mendler contends that many of the beliefs tenets conclusions and understandings that are widely accepted as truths are in fact not valid at all Such dubious and false concepts arise not only in philosophy and theology but also under the rubrics of cosmology quantum physics democracy freedom economics and various aspects of human nature and evolution We accept and absorb these false ideas because they were and are propounded by authorities both ancient and modern Mendler asserts that we should challenge them all from Plato on to contemporary theorists in all of those fields and question and analyze every element of their conclusions **An essay on the improvement of society.
