Famous Last Words Introduction Discipleship:

Famous Last Words Mary Keel, 2015-12-02 When Jesus said his final goodbyes he left his followers with the command to make baptize and teach disciples While many of us recognize this is the purpose for all followers of Christ we often don't feel equipped to obey it This book concisely goes from big picture principles into the day to day practicalities of discipleship After reading this book you'll have the tools you need to start intentionally pouring into others **Every Piece of Me** Jerusha

Clark, 2017-08-01 Throughout Scripture God reveals himself as the great I Am He does not define himself with reference to any thing person or trait He is and that is enough Women find themselves in a far different situation When we introduce ourselves we typically describe ourselves in terms of our relationships the wife mother daughter sister or friend of someone else or in terms of our accomplishments our title position education or accolades When our identity is wrapped up in these external things we inevitably and exhaustingly strive to prove ourselves worthy of love attention or affirmation God never meant for us to focus on whether we are enough whether we measure up He made us every piece of us to be just as he is Jerusha Clark discovered this while exploring Jesus's seven powerful I am statements recorded in the Gospel of John She invites women to join her in embracing the life and truth of these words relishing the freedom of an identity fixed on Christ alone while leaving behind fear bitterness busyness and toxic thoughts that steal our joy and limit our power *Let God*

Change Your Life Greg Laurie, 2011-06-01 Evangelist Greg Laurie calls all Christians back to radical New Testament living in his latest offering Let God Change Your Life Imagine what it would have been like to be a follower of Jesus first century Christians walked away from their old lives just to be where He was What they learned sitting at His feet was discipleship And when His work on earth was done first century Christians took His words and example and spread out teaching the gospel to everyone The good news is that we too can participate in this lifestyle Laurie drills it down in three simple ideas get to know Jesus follow His plan for discipleship and use it to tell others what we know Laurie's tone is clear direct and biblical

Dangerous Church John Bishop, 2011-04-19 Dangerous churches should be norm Church leaders and church people alike shrink back from danger because we want safety Jesus said that he's overcome the world and its troubles Dangerous churches put everything on the line for the one thing that matters most reaching lost people It's dangerous not to be a dangerous church The book is less about methods or even the message of God but about a church that risks everything it has to reach lost people Living Hope was birthed 8 years ago and has grown from five families to 5000 attendees grown from one to 19 services on many campuses and baptized 5 000 people along the way A dangerous church sees what only God can do when it acts upon what the church is supposed to be It risks everything to reach people God wants us to live on the edge of our margin when it comes to mission and methods So much of Living Hope's journey has been going back to the Book of Acts and trying to live authentically with the givens of who they were where they were and what they had to work with They learned to abandon agendas and short sighted human plans especially ones that copy what other churches are doing That's

when they found God's blessing We went from being a good church to being God honoring church he reports Drawing insight from the book of Acts this book unfolds the very personal journey of a pastor and then his entire church when they finally began to live a dangerous faith The transition had a dramatic impact on the pastor's life and marriage as well as on the congregation and its outreach It opened a new sense of mission and incredible spiritual fruitfulness The pastor is not only a radically different person today but the entire church has become an atmosphere that values taking dangerous steps of faith It will lead Christ's followers to become risk takers who change the world through a revolution that begins with a dangerous grace The book is story rich with examples of the grace filled culture from Living Hope Church through the experiences of its pastor John Bishop It will avoid a smug attitude that implies we've arrived we're the first to live out grace or we're the best at giving grace Instead the book will convey a humble attitude of we've got a lot to learn including examples of mistakes the church has made along the way The rapid transition of Living Hope will not be projected as a speed for other churches to follow lest the book invite a crash and burn outcome at other churches Thus the book will find its primary story in and from Living Hope In 2007 Outreach Magazine ranked Living Hope as the seventh fastest growing church in the US They have also been listed among the 50 most influential churches in America

Love Language of God James W.
