Fan Phenomena Sherlock Holmes Intellect Books Fan Phenomena:

Fan Phenomena Tom Ue, Jonathan Cranfield, Emma Rhys, 2014 Fan Phenomena: Sherlock Holmes Tom Ue, 2014

Fans Michael Bond, 2023-05-11 A celebration of human idiosyncrasy and of our talent for building shared meaning and solidarity out of the strangest material TLS Fans takes the reader on a journey through a constellation of fandoms and along the way demonstrates some fundamental truths about the human condition Fascinating and thought provoking Fans is a story of communities of what happens to us when we interact with people who share our passions The human brain is wired to reach out and while our groupish tendencies can bring much strife religious intolerance racism war etc they are also the source of some of our greatest satisfactions Fandoms offer much of the pleasure of tribalism with little of the harm a feeling of belonging and of shared culture a sense of meaning and purpose improved mental well being reassurance that our most outlandish convictions will be taken seriously and the freedom to try to emulate and dress like our hero But acclaimed science writer Michael Bond shows that despite these benefits the world of fandoms is not without its dark underside from the copycat effect fuelling mass shootings to the delusions that can accompany the parasocial relationships that fans feel they have with their heroes In Fans Michael Bond draws on the work of social psychologists and anthropologists to understand how people behave in groups and why such groups have such a profound effect on human culture Contemporary Approaches to Translation Theory and Practice Roberto A. Valdeon, 2020-06-29 This book gathers together for the first time the editors of some of the most prestigious Translation Studies journals and serves as a showcase of the academic and geographical diversity of the discipline The collection includes a discussion on the intralinguistic translation of Romeo and Juliet thoughts on the concepts of adaptation imitation and pastiche with regards to Japanese manga reflections on the status of the source and target texts a study on the translation and circulation of Inuit Canadian literature and a discussion on the role of translation in Latin America It also contains two chapters on journalistic translation linguistic approaches to English Hungarian news translation and a study of an independent news outlet one chapter on court interpreting in the US and a final chapter on audio description The book was originally published as a special issue in 2017 to mark the twenty fifth anniversary of Perspectives Studies in Translation Theory and Practice **Fandom as Classroom Practice** Katherine Anderson Howell, 2018-05-15 Providing ways to engage students through their popular culture interests this collection brings together several essays across disciplines to show how fan practices such as writing fan fiction creating vids communicating via Tumblr and participating in film tourism can invite students to invest more of themselves into their education Both scholarship and fandom encourage passionate engagement with texts rather than passive consumption in isolation and editor Katherine Anderson Howell and her contributors find that when students are encouraged to partake in a remix classroom that encourages their fan interests they participate more in their education are more critical of experts and authorities and actively shape the discourse themselves Creating this remix classroom requires thoughtfulness on the instructor s part and

so the chapters in this volume come from teachers who have carefully constructed such courses including several invaluable appendices that provide examples of methodologies course assignments teaching practices and classroom setup Each chapter also includes student responses that offer a sense of what students gained from each course The result is an exciting and entertaining new way to motivate students and teachers alike and it is sure to be a popular reference guide for instructors teaching classes from high school to graduate levels

A Supernatural Politics Lisa Macklem, Dominick Grace, 2021-05-03 What makes a horror television drama interesting Like any other drama it is often the character development or plot and this certainly applies to the dramatically resonant Supernatural and its beloved characters However Supernatural has achieved a dedicated fandom and a record breaking 15 season run by skillfully engaging with the social reality inhabited by the show's audience Additionally the show plays with the fourth wall by having an in world fandom for the main characters Supernatural's many layers have garnered the attention of academics who analyzed the show's engagement with diverse topics such as the MeToo movement consumerism and the American Dream This collection of essays studies the topical issues and politics that added depth and maturity to Supernatural separated it from X Files knock offs and garnered the show its own cult following

Sherlock Holmes Tom Ue, Jonathan Cranfield, 2014 Few could have predicted the enduring fascination with the legendary detective Sherlock Holmes From the stories of Sir Arthur Conan Doyle to the recent BBC series that has made a heart throb out of Benedict Cumberbatch the sleuth has been much a part of the British and global cultural legacy from the moment of his first appearance in 1887 The contributors to this book discuss the ways in which various fan cultures have sprung up around the stories and how they have proved to be a strong cultural paradigm for the ways in which these phenomena function in the twentieth and twenty first centuries Essays explore the numerous adaptations rewritings rip offs role playing wiki and crowd sourced texts virtual realities and faux scholarship Sherlock Holmes has inspired Though fervid fan behaviour is often mischaracterized as a modern phenomenon the historical roots of fan manifestation that have been largely forgotten are revived in this thrilling book Complete with interviews with writers who have famously brought the character of Holmes back to life the collection benefits from the vast knowledge of its contributors including academics who teach in the field archivists and a number of writers who have been involved in the enactment of Holmes stories on stage screen and radio The release of Fan Phenomena Sherlock Holmes coincides with Holmes's 160th birthday so it is no mystery that it will make a welcome addition to the burgeoning scholarship on this timeless detective

Saturday Review of Literature, 1929 *Time* Briton Hadden, 1980 **Books in Print Supplement**, 1984 **Forthcoming Books** Rose Arny, 1989-09 **FAN PHENOMENA** Valerie Estelle Frankel, 2019 *Encyclopedia of American Associations*, 1976 *Saturday Review of Literature*, 1968 *The Memoirs of Sherlock Holmes* Arthur Conan Doyle, 2023-03-31 The first scholarly edition of The Memoirs of Sherlock Holmes including a detailed introduction an essay on the text a textual apparatus and explanatory notes Arthur Conan Doyle's The Memoirs of Sherlock Holmes was first

published by George Newnes Ltd in December 1893 The first edition featured eleven short stories which had all appeared in the Strand Magazine over the preceding twelve months The sequence of stories culminated in the apparent death of Sherlock Holmes in The Final Problem The Memoirs contained some of the most well regarded and dramatic of the early Holmes stories but also served as a compelling document of Conan Doyle s struggle to balance the commercial demands of modern authorship with his own literary aspirations This scholarly edition offers students and researchers a detailed resource with which to understand the volume s composition publishing history and reception Jonathan Cranfield is Senior Lecturer in English Literature and Cultural History at Liverpool John Moores University He is the author of Twentieth Century Victorian Arthur Conan Doyle and the Strand Magazine 1891-1930 EUP 2016 co editor of Fan Phenomena Sherlock Holmes 2013 and has published various peer reviewed articles on late Victorian periodical culture popular fiction and early cinema Watson Is Not an Idiot Eddy Webb,2013-10 Watson is Not an Idiot is an opinionated exploration of Sir Arthur Conan Doyle s original canon written to illustrate interesting features and historical elements of the stories from the perspective of a lifelong fan of the material It s not academic but a companion the passionate excited and sometimes ranty friend who sits alongside you

"I Believe in Sherlock Holmes" Mary Katherine Evans,2018 Round the Fire Stories Arthur Conan Doyle,2018-06-18 The creator of Sherlock Holmes invites readers into the darkest corners of his imagination with these spooky and suspenseful tales meant to be read round the fire on a winter s night Grotesque characters bizarre phenomena diabolical deeds and terrifying twists of fate abound in mysteries such as The Club Footed Grocer The Brazilian Cat The Sealed Room and The Brown Hand From the supernatural to the sinister the hair raising to the spine tingling this creepy collection is a must read for fans of the world s greatest detective and his inimitable creator I Believe in Sherlock Holmes Douglas G.

Greene,2015-09-16 When Doyle killed off his great detective in The Final Problem distraught readers resorted to producing their own stories This volume compiles the best of the early Sherlockian tributes and parodies Sherlock Holmes - The Hero With a Thousand Faces: Volume 2 David MacGregor,2022-06-22 Picking up the trail with the incredibly influential films of Basil Rathbone and Nigel Bruce Volume II goes on to explore the antiheroic Sherlock Holmes films of the 1970s and then the somewhat rocky journey of Holmes into the medium of television actors Alan Wheatley Douglas Wilmer and Peter Cushing all declared their respective TV series as the worst experience of their professional careers Television finally found its definitive Holmes in Jeremy Brett s portrayal for Granada Television and then the BBC s Sherlock had flashed brilliantly across the cultural sky before crashing and burning in spectacular fashion Still despite its ignominious end Benedict Cumberbatch s version of Sherlock Holmes quite literally changed the face of Sherlockian fandom overnight as studious middle aged white men now found themselves sharing uneasy ground with a younger more diverse and more female audience Now a full fledged transmedia phenomenon Sherlock Holmes can be any gender ethnicity or species and is celebrated in fan fiction and fanvids as well as conventions that are far more inclusive than Sherlock Holmes societies of the

past Vincent Starrett's poetic notion that Sherlock Holmes is a character who never lived and so can never die has never been more true and the Digital Age promises any number of new versions of Sherlock Holmes to come
